b. **Employee Compensation Committee**

Chuck Newcomer requested an **executive session at 6:18 p.m.** to discuss employee compensation. ED was asked to leave the room at this time. **Executive session was adjourned at 6:45p.m.** Chuck explained that the Employee Compensation Committee visited via email and came up with an 8 item recommendation for employment compensation that was passed out to members. (See attached)

Chuck made a motion to accept the Committee’s recommendation. Discussion followed the executive session and Paige felt that procedure was not followed with leaving the Executive Director and the bookkeeper out of the committee discussions/meetings. Chuck withdrew the motion.

A new motion was made to remove the Executive Director and the bookkeeper from the Employee Compensation Committee. Motion was 2nd. Discussion followed. The motion carried.
The previous motion was reintroduced for the new pay scale and other administrative changes listed on the attachment. Basis of compensation levels was not provided. Paige feels excluding the ED from non-ED staff payroll planning breaks APL and nonprofit procedures – it goes against already set procedures and accepted non-profit practices. There was discussion of creating two committees to address different areas of concern: Employee Compensation Committee and Employee Relations Committee.

Chuck made the motion to accept the recommendation for employee compensation that was put before the Board earlier in the meeting with the committee renamed the Employee Compensation Committee; responsibilities will be to address issues to include pay bonuses, benefits and grievances for compensation purposes; and not include morale issues. There would be no Employee Relations Committee. Motion was 2nd, motion carried.

VIII. Set next meeting

February 12 at 6:00 at the AEP Foundation Multipurpose Room IX. Adjournment

The Board adjourned at 7:38 p.m.

IX. Meeting called back to order at 7:40 p.m.

A motion was made to amend the budget to incorporate raises approved during the meeting. Motion was seconded, motion carried. meeting adjourned at 7:43.
Recommend to the Board of Directors:

Establish an Employee Relations Compensation Committee as a standing committee with responsibilities for addressing employee issues to include but not limited to: pay, morale, bonuses, benefits, and compensation grievances.

Strike/remove any authorization for the ED to give merit based raises, and/or other raises of any kind, without specific approval by the Employee Relations Compensation Committee.

Increase current employees salaries for CY2015. All future raises will become effective on the first pay period in January of each calendar year.

Task the Employee Relations Compensation Committee with further developing, structuring, and maintaining the pay reform using the model recommended by the Employee Compensation Committee. The model as used incorporates a 5% raise after the completion of the first year of service, 4% each year thereafter and a 10% raise every 5th anniversary. An alternative would be to change the 10% to 5% and pay a large bonus each 5th year.

Task the ED with providing updated position descriptions that accurately reflect differences between the positions. ED will work with and report to the Employee Relations Committee.

All appraisals and recommendations for bonuses, raises, etc. from the ED will be approved by the entire Board of Directors after being submitted through the ERC ECC.
