   6. Library –

      c. Don has submitted a proposal to the Rea Charitable Trust for $300,000. He met with Trust representatives and feels we will receive a grant of some size.
d. Don attended a Tocker Foundation workshop and spoke with representatives about our potential funding needs.

e. Don shared ILL statistics from the state library that show that the trend toward fewer volumes in libraries and provision of more services like ILL is growing.

E. Old Business

1. APL Improvement Plan [precursor to Strategic Planning] – Jon shared results of the committee’s meeting with Denelle Wrightson, a very experienced architect specializing in designing libraries. It was moved and seconded that we hire Ms. Wrightson at a rate not to exceed $15,000, to design concept plans for a proposed 5,000-square foot expansion. The motion passed unanimously. It was emphasized that this is simply the first step in a possible building campaign and that such drawings will be helpful in all fund-raising efforts.

2. Energy Transfer Partners Ad Hoc Committee – Gary has spoken with Rick Smith, who has asked for a breakdown of costs for the new parking lot and the reworking of the children’s patio. That has been prepared and will be shared with Mr. Smith.

3. The board was updated on Spelling Bee planning and asked to be ready to volunteer before and during the event.

4. Employee Handbook and APL Policies and Procedures Handbook revisions were discussed. The handbooks will be revised to reflect board members’ suggestions.

F. Next meeting date: April 13, 2017, at 5:30 p.m.

G. Meeting adjourned at 7:23 pm.

Respectfully submitted,

Gary Dill, Secretary
APL Board of Directors
