The meeting was called to order by Linda Bryant at 5:30 p.m.

A. Changes to agenda- no changes  
B. Announcements - no announcements  
C. Introduction of guests - Jim Robertson sat in as a potential future board member  
D. Minutes from 11/11/21, approved unanimously  
E. Consent Agenda- approved unanimously  
F. Ongoing Business —

1. Capital Campaign - contractor from EP called and wants to bid, bringing the number to 3 bidders on the project  
2. Silent Auction - 2nd hardest event in terms of work due to small space and complexity; $23973.00 at the time of meeting; most $$ made without live auction component; BD says “walkaway” was a good idea; looking for a new facility for next year  
3. Director’s salary  

   1. 2019 decision -LB asked how we can reach our goal to raise salaries; CR said we need to raise more money and suggested we make “staff funding” an agenda item in Ongoing Business every month; JE suggested letting folks running for County Judge know that library funding is an important issue; CE suggested looking into grants that would cover operating costs; CR is looking into another possible grant.  
2. Qualified staffing, retention and attraction - DW wants a committee that addresses staffing and staff retention; LB said morale is high but salaries are low, so the committee is very important.  
3. Future directors - LB and DW reminded the board that a future director will need to paid more and the board needs to address this before it becomes a reality.  
4. Funding separation - LB, DW, JR spoke on the separation between operating budget, the Capital Campaign, and the $300K preservation in Charles Schwabb.  
5. Expiring Memberships - LB reported that Lee Smith’s term has expired and expressed hope that Jim Robertson would join the board; Cynthia Salas has removed herself from the board effective immediately.
G. New business

1. Committee Reports - LB wants moved that we begin to ask certain committees to give reports at a given meeting, stating that they will be notified prior to the meeting when they are to present; LB asked JE to give report on Board Development next month.

2. Budget discussion and approval - audit cost is $7900; API will be billed again in the fall, so the budget will reflect this change but it is not different monetarily; CR thinks an increase in marketing will help, as well as resuming special events, and give the possibility to exceed the budget income; JR weighed in on budget expectations (audio unclear on Zoom); budget unanimously passed.

3. Committee assignments; LB consolidated some of the committees but added Staff Retention Committee; Income Generating Committee - BD will step off committee when she moves in the summer, CR and ER will serve on this committee (discussion of American Legion fish fry; if we sell 500 tickets we could make $2500; we'll be given a date when the board decides; BD suggested advertising at the hotels if it will be in March/Spring Break); CR suggested sharing Fundraising and Income Generating Committee between FAPL and the board; Improvement and Retention Committee will form to discuss how to manage the goal of raised salaries, etc. by 2025, 2030, into the future, how to retain a good staff; BE feels she would be better suited to this committee than the one she currently serves on; LB asked that board members let her know if they want to change their assigned committee.

4. JE’s proposal re: board policy change toward member absences: CR asks for clarification about number of absences, JE says he thinks there should be more than 3 so he opted for 5, LB suggests 4; a discussion ensued about removing “excused” absences out of the wording; CR moved to accept JE’s proposal with the removal of the excused absence wording; JE feels making the removal of a board member after a certain number of absences automatic deprives the board of authority over members; BD expressed concerns that as a small community we risk ruffling feathers and feel uncomfortable with removing members by vote, would prefer that it is automatic according to absences rules; ER feels that JE’s idea is more sensitive because it allows for discussion and communication; JE feels that allowing for communication/vote gives the member in question an opportunity to ask themselves “Why am I on the board?”, motion was made to accept JE’s wording minus “excused” absence portion; motion was seconded and approved as new policy.

5. Friends Report: new executive committee; CR (new president) wants to work on the customer relations side of things; he suggests scrutinizing a list of supporters to determine who would be a good fit for certain small jobs associated with Friends’ tasks and events, with the hope of generating a new generation of interested volunteers to serve the library; Talented Alpine Stars will replace Dancing with Alpine Stars to reflect the introduction of different acts, with the tagline “Get Your Act Together”, suggested by Kathy Bork.
